

Saurav

 (Shopify Developer/Web Developer)

Karawal Nagar, Delhi | +91-9868464518 | sauravprajapati44063@gmail.com | [LinkedIn](#) | [Portfolio Website](#)

Professional Summary:

Creative and detail-oriented web developer with a strong focus on frontend technologies and Shopify theme development. Skilled in HTML, CSS, JavaScript, and Liquid, with experience in building responsive, user-friendly websites and customizing Shopify storefronts. Capable of integrating third-party apps, ensuring fast-loading pages, and delivering engaging e-commerce experiences.

Technical Skills:

- Shopify: Liquid, Shopify CLI, ThemeKit, Polaris, metafields, schema, sections, custom apps
- Frontend: HTML5, CSS3, JavaScript (Basic), Tailwind CSS, Bootstrap, Responsive Design
- Backend & APIs: Shopify REST & GraphQL APIs, Webhooks, JSON
- Tools: Git, GitHub, Figma, Photoshop, VS Code, Postman

Experience:

Eglogics Softech Pvt. Ltd., Noida — *Frontend & Shopify Developer* | Apr 2024 – Present

- Customized Shopify carts and implemented free gift / promotional product logic for live stores such as flowerstore.co.uk.
- Revamped zibaa.in with advanced Shopify customizations aligned with client-specific business requirements.
- Designed and developed 3+ custom Shopify apps using Shopify Polaris and React.js.
- Built and launched 20+ Shopify websites, handling UI design, theme structure, and functionality from scratch.
- Created high-conversion, interactive UI designs using Figma, Photoshop, and Canva to enhance merchant sales.
- Implemented advanced sliders and interactive components using Swiper, Slick, and Owl Carousel.

Lemniscate Technologies — *Web Developer* | Oct 2023 – Apr 2024

- Designed and developed responsive and user-friendly websites using modern front-end technologies.
- Customized Shopify themes and implemented client-specific features and UI enhancements.
- Identified and resolved UI/UX issues, improved website performance, and optimized layouts for mobile and tablet devices.
- Worked closely with senior developers to maintain and enhance existing projects.

Epic Web Techno — *Junior Web Developer* | Sep 2022 – Oct 2023

- Assisted in developing and maintaining websites using HTML, CSS, and JavaScript, worked on responsive layouts, and supported senior developers with feature implementation and bug fixes.

Education:

- Bachelor of Arts (B.A. Programme)
- Diploma in Web Design from Vision Academy
- Currently pursuing MCA from MDU University
